### **PLEASE PREPARE FOR THE WATER SUPPLY INTERRUPTION AT BATU MAUNG AND PERMATANG DAMAR LAUT ON SATURDAY (3/12/2016)**

- **9.00am – 9.00pm supply interruption to enable underground pipe connection works related to JKR flyover construction project**

PENANG, Wednesday (30/11/2016): Water consumers in the following areas are kindly reminded to prepare for a 12-hour scheduled water supply interruption this Saturday (3/12/2016).

If you are one of the 39,000 water users staying or working in the following areas, please remember to store sufficient water for usage from 9.00am to 9.00pm:

- Junction of Solok Bayan Lepas until Sungai Tiram Bridge, Jalan Permatang Damar Laut
- Solok Bayan Lepas
- Jalan Batu Maung
- MAS Cargo Complex 2, Batu Maung
- LKIM Fisheries Complex, Batu Maung
- Diamond Valley Industrial Area, Batu Maung
- Taman Iping, Taman Cassia, Sunway Mutiara, Taman Batu Nilam, Taman Bidara, Taman Jeliti, Taman Beringin, Taman Kekabu and Southbay.

We deeply regret any inconvenience caused but this supply interruption is required for PBAPP to carry out pipe connection works at 6 locations. These connections are necessary to make way for the construction of a new flyover by the Public Works Department (JKR).

The connections will enable the diversion of water supply delivery systems away from piling and construction sites. This will ensure that water supply in the area is not affected by road upgrading works.

Kindly note that the Bayan Lepas Free Trade Zone and the Penang International Airport will NOT be affected by this shutdown.

Thank You.
